

ADVANCE QUESTIONS TO BRUNEI DARUSSALAM

GERMANY

- There has been an issue of concern regarding the principle of non-discrimination in Brunei Darussalam's legislation and that discrimination persists. CRC referred specifically to discrimination against girls and children born out of wedlock under the existing personal status law (para. 13 of the compilation of OHCHR A/HRC/WG.6/6/BRN/2, citing CRC/C/15/Add.219, para. 24). Germany would like to know what measures Brunei Darussalam has taken in order to prevent and eliminate discrimination on grounds of sex and birth in all fields of civil, economic, political, social and cultural life?
